Bristol Spaceworks was officially launched back in 2010 from a merger of two not for profit social enterprises operating in Bristol's inner city east side, [East Bristol Enterprise](#) and [Bristol East Side Traders](#). East Bristol Enterprise Ltd was established in 1985 to improve the economic and employment prospects in Easton and the surrounding areas by offering business start-up advice, training and flexible workspace for establishing local businesses. It remains a centre where licensees Meet, Inspire & Grow through networking and marketing opportunities which arise.

With this in mind, we will be producing a monthly NEWSLETTER which will keep you up- to-date on what's happening both in and around our 4 locations

If you wish to advertise something to your fellow tenants for the next edition, please email [info@bristol-spaceworks.co.uk](mailto:info@bristol-spaceworks.co.uk)

**Meet Your Neighbours and  
Promote Your Organisation 27<sup>th</sup>  
March 1100 – 1230, Easton  
Business Centre**

One of the benefits of the recent events we have held over Xmas and in January is seeing lots of interaction between Tenants and in some cases some referrals taking place  
In the spirit of trying to encourage as much business and referrals between tenants we are hosting a Networking event with the added bonus of having a few tables for those interested in promoting their business

**Time2 Share**, one of our long standing tenants, are a charity whose main activity is running a befriending scheme where they link volunteers 1:1 to spend time with a disabled child / young person doing something they both enjoy. They will be having an **'Unwanted Xmas Present Sale'** as part of the event too

Please email [info@bristol-spaceworks.co.uk](mailto:info@bristol-spaceworks.co.uk) if you are interested in having a table. At the very least please come along to meet the other tenants and grab a deal!
